

Slay to Survive Vox - Delivery Instructions

Audio Format: MP3 @ 320kbps or Wave 44.1khz at 16bit

Send audio via WeTransfer (<http://www.wetransfer.com>) or SendSpace (<http://www.sendspace.com>) to bulletofreason@gmail.com

Send 3 separate files... Title them as:

Your Name – Chorus.mp3 (or .wav)

Your Name - Breakdown 1.mp3 (or .wav)

Your Name - Breakdown 2.mp3 (or .wav)

Please do not add too much processing to your recording! A little bit of EQ and Compression is alright, but I will do most of the tweaking on my end. The more headroom I have to work with, the better!!!

Since everyone who sends me their voice parts will be credited on the album, please tell me your name *(if you're in a band and would like the band name to be credited then tell me the name of the band)* in the description when you send the files!

If you're running in to any issues or have any questions, email me at bulletofreason@gmail.com and title the subject as "Slay to Survive Vox".

DEADLINE TO HAVE THE VOICE PARTS RECORDED AND SENT: JULY 26, 2013

CHORUS:

We will Slay to Survive

BREAKDOWN 1:

Face your fury

BREAKDOWN 2:

Hey! Hey! Hey! Hey!
